MUHAMMAD IRZA DZULHIKA

0895386809300 | irjajulhika@gmail.com | linkedin.com/in/irza-dzulhika/ | irzadzulhika.vercel.app
Malang, Jawa Timur

Information Systems student with a versatile background in System Analysis, Product Development, and Technical Support. Skilled in bridging business needs with technical solutions through comprehensive requirements gathering, process modeling (User Flow/Use Case), and quality assurance (QA). Experienced in project management and stakeholder communication, with a proven ability to identify product opportunities and manage partnerships. A collaborative problem-solver ready to contribute to system design, technical documentation, and product delivery efficiency.

Work Experiences

Akademi Competition - **Malang, Indonesia**   Sep 2025 - Present
Front-End Web Developer

- Built and maintained front-end modules for Academy Competition, an e-learning & challenge platform for business case preparation.
- Translated UI/UX wireframes into functional user flows and modular UI components, ensuring responsive behavior across devices.
- Collaborated with the Product Manager and UI/UX team to clarify requirements, define expected behaviors, and capture edge cases before implementation to reduce rework

Education Level

Universitas Brawijaya - **Malang, Indonesia**   Jul 2023 - Jul 2027 (Expected)
Undergraduate Student in Information Systems, 3.92/4.00
